EDUCATION

B.Tech - Computer Science Engineering <i>ABES Engineering College</i>	2025-2029 Ghaziabad, India
Senior Secondary (Class XII) <i>CBSE BOARD</i>	2024-2025
Secondary (Class X) <i>CBSE BOARD</i>	2022-2023

PROJECTS

Netflix Landing Page UI Clone

- Built a responsive Netflix-style landing page using HTML and CSS.
- Key Features
 - * Netflix-style homepage layout
 - * Responsive UI design
 - * Movie poster grid layout
- GitHub: <https://github.com/Neil-166/netflix-clone>

Zomato Restaurant Discovery UI Clone

- Developed a Zomato-inspired restaurant discovery interface.
- Key Features
 - * Restaurant search UI
 - * Category navigation (Delivery, Dining Out, Nightlife)
 - * Food listing cards with ratings and pricing
- GitHub: <https://github.com/Neil-166/zomato-clone>

Student Management System

- Built a console-based student record management system using C++.
- Key Features
 - * Add, display, search, and delete student record
 - * Menu-driven interface for easy interaction
 - * Implemented using functions, loops, structures
- GitHub: <https://github.com/Neil-166/student-management-system>.

SKILLS

- **Programming:** C++
- **Web Development:** HTML, CSS
